

North Bay CREIA Toolbox Seminar: EnergyCheckup™ Crash Course

3-Hour EnergyCheckup Training Seminar: May 23, 2007

Learn How to Provide All These Valuable Energy Audit Services:

- Fast / comprehensive home energy rating added to a traditional home inspection
- Stand-alone home energy ratings
- Multifamily and Mobile Home energy ratings

Plus... ADD ENERGY RATINGS & EARN \$35 MORE PER HOME WITHOUT RAISING YOUR RATES!!

INSTRUCTOR: Tom Conlon, Principal / Energy Consultant

Mr. Conlon is one of the country's leading energy efficiency consultants specializing in building energy simulation and energy ratings by home inspectors. Founder of GeoPraxis and owner of EnergyCheckup, he currently directs the EnergyWise™ Program sponsored by the Marin County EnergyWatch Partnership.

The ENERGYWISE PROGRAM pays participating inspectors \$35 extra for every EnergyCheckup they perform. Provide your clients and real estate agents with free energy-saving compact fluorescent lamps and other benefits. This is the course you've been waiting for!

When: Wednesday, May 23, 2007 - 9:00 AM - 12:00 PM

Where: Marin County Association of Realtors, 40 Mitchell Blvd., San Rafael, CA 94903

How Much: \$20.00. Price includes free software, brochures, and more!

SIGN UP NOW! Early birds also get free energy inspection tools or polo shirts ... while supplies last!

Fax reservations to: 707-933-8477 or call 888-262-9009. Visit www.energycheckup.com for more info.
